in
Supporting Justice-Impacted Individuals
at
Brooklyn Friends Meetinghouse

Brooklyn Monthly Meeting is excited to announce the return of **Landing Strip**—a welcoming and supportive group for anyone navigating the transition to society after incarceration. Whether you are justice-impacted, an AVP facilitator, a member or attender of Brooklyn Monthly Meeting, or someone passionate about supporting the justice-impacted community, this is an opportunity to learn more and get involved.

When: **October 8, 2024 from 6pm - 8pm**

Where: Brooklyn Friends Meetinghouse

Address: 110 Schermerhorn St, Brooklyn, NY 11201

Landing Strip offers a **safe and caring community** where individuals returning from incarceration can find understanding, share their challenges, and connect with others who have been through similar experiences. Although we do not provide direct services such as housing or jobs, we are here to "check-in" with each other and build a network of support.

What to Expect:

- Honest friendship, moral support, and a listening ear.
- A space based on **respect, honesty, and care**.
- Opportunities to practice **Alternatives to Violence Project (AVP)** principles in an experiential setting.

Join us as we create a space where everyone is treated with dignity and given the opportunity to thrive.

Come and find out more! Let's work together to build a community of support and transformation.

Please RSVP to landingstrip@brooklynmeeting.org.
